Start printing of WTC2024 ID badges on April 19!

Welcome to all guests and participants! Self-printing of WTC2024 ID badges is allowed to start on 9:00am of April 19.

Admission process

1. Complete registration and submission of participants information.
2. With use of QR code received in the e-mail box for registration, complete the self-printing at the north service desk in the North Lobby of Shenzhen World Exhibition & Convention Center.
3. Then, you may go to the exhibition hall with the ID badges. The first face recognition is accomplished via entry of access control information by the ID badge holder by default.
4. For information change, please direct it to the service desk in the North Lobby.

Online registration: Gain access to ID badges quickly in a self-printing way by using the QR code.

Delegates who complete registration in the website and do not have outstanding payments by April 18 may gain access to the self-printed ID badges with use of QR code received in the account e-mail box.
* Access to admission QR code:
1. Log into the website to search the mails in the account e-mail box for registration (title: WTC2024 QR Code for Admission), which contain the QR code being sent.
2. Access to the registration page in the website https://registration.wtc2024.cn/login/2024wtc/en. Login via account no. and password for registration. Then, click 【QR code】 to obtain the QR code.

Offline registration: Complete offline registration at the service desk in the Lobby.

Obtain the ID badges at the service desk on 9:00am of April 19.

Printed at:Shenzhen World Exhibition & Convention Center: North Service Desk in the North Lobby - Self-service area/conference ID badges area.
